Bankak and bank-app payments recorded and matched

- ✓ Record each transfer with its transaction number
- ✓ Match your bank statement in one click
- ✓ A debt ledger that knows who owes you and since when

The screenshot displays the Vezano Pro web application interface. On the left is a sidebar with navigation links: Dashboard, Sales, Debt ledger (highlighted), External orders, Customer records, and CRM. The main content area shows the 'Customer debt ledger' for 'Al Noor Trading'. It includes a summary of 'Outstanding receivables' (892,250.00 SDG) and 'Overdue amount' (0.00 SDG). Below this is a section for 'Customers' with options to 'Import from Excel' or 'New customer', and a search bar. Overlaid on the right is a dark modal titled 'Transfer recorded' with a green checkmark and the text 'Matched to statement'. This modal contains a table with the following data:

App	Bankak
Transaction no.	20931847
Amount	150,000.00 SDG
